Weekly Newsletter

Date: 10th September 2021

Dear Parents/Carers,

We would like to thank all the parents and carers who were able to attend the year group meetings held this week. Having a clear understanding of the school's expectations does help to build strong and successful partnerships between home and school. However, we do appreciate some parents may not have been able to join their session owing to other commitments. Therefore, we have uploaded these presentations onto the school website and we would encourage you to read all the information given, to best support your child at school.

Reading is the Key to Success

At Essex, reading is prioritised so that pupils can enjoy and achieve across the full curriculum offer. Teachers have been set the challenge of creating the most imaginative and inspiring reading corners. The competition to produce the most sensational space has been fierce with the only winners being our pupils who now have the most incredible reading corners to get stuck into a book. Well done to all our talented and creative teachers, the classrooms are looking out of this world!

We would encourage all our parents and carers to listen to your children read, every day, then spend quality time with them to talk about their favourite characters and parts of the story.

The Hot Potato Competition

Five boys and five girls, from year 2, took part in an exciting challenge, organised by the Langdon Partnership. The contest required our sports team to use the skills of speed, dexterity and hand eye coordination, to throw and catch a bean bag, passing it as fast as they could without dropping the object.

Against 8 other schools within the Newham area, we are proud to say that the team from Essex reached the final and achieved silver medals. A fantastic performance - well done!

Staying Safe in PE Lessons

We have noticed a number of children who are not able to remove their own earrings for PE sessions. Earrings must be removed for all sports activities, so if pupils are unable to remove their own, they should come without them on PE Days.

A polite reminder to bring PE kits to school in a bag on Mondays. Pupils are no longer required to come dressed in PE kits.

Celebrating Success (KS2)

Well done to the children who have been awarded green leaves this week.
