**Equality Objective 2: Foster good relations between people who share a protected characteristic and those who do not**

To promote spiritual, moral, social and cultural development through all appropriate curricular opportunities, with particular reference to issues of equality and diversity that the curriculum reflects and supports the needs of pupils with protected characteristics.

**Why we have chosen this objective**

To ensure that our school community understands that we live in a diverse country that recognises, celebrates and tolerates different views, faiths and cultures.

**To achieve this objective we plan to:**

- Purchase appropriate resources
- Train staff in equality and inclusion practice
- Resource the school with stories from other cultures and ensure that children's home lives and familiar things are represented in school activities such as home corners and imaginative play
- Promote the fundamental British values of Democracy, the Rule of Law, Individual Liberty and Tolerance of those of different faiths and beliefs
- Ensure that our school prepares pupils positively for life in Modern Britain
- Promote self-responsibility, respect and tolerance for others as part of pupils' spiritual, moral, social and cultural development
- Ensure that pupils' spiritual, moral, social and cultural development equips them to be thoughtful, caring and active citizens in school and in the wider community
- Develop pupils' advocacy skills so that they can detect bias, challenge discrimination, leading to justice and advocacy
- Celebrate festivals and learn about the wider cultural aspects of others' lives
- Encourage visitors and speakers into school from other religions and cultures
- Teaching and Learning in Topic, PSHE and RE to encourage discussion and debate
- Review our PSHE curriculum across the school
