Marvellous Monday! 15/06/20

Dear Parent/Carer,

The Reception team hope that you and your children are safe and well. Here are some ideas and suggestions for a great day with your child.

Wake and Shake (10 minutes max)

- Let's learn about exercising!
- Exercising is when you do a physical activity so your body can stay fit and healthy.
- Try some of these at home today!
- You could also join Joe Wicks on youtube every day at 9am he will take you through a PE session.

Weekend news:

What did you do at the weekend? Did you enjoy a picnic in the garden? Did you watch a film with your family? Or did you read books and play with your toys? Talk to your grown up about what you did at the weekend and remember to start with our speaking frame, 'at the weekend I….'.

- What did you do?
- How did you feel?
- Who did you complete your activity with?

After you have spoken about your weekend news to your grown up, write it down in your homework book.

At the weekend I….

key words: play film read books toys help food excited

Snack time:

Yoghurt and cereal strawberries! These yoghurt and cereal coated delicious strawberries are very satisfying!

Things you need:

- strawberries (or any other fruit you like!)
- Yoghurt (vanilla, plain or your favourite flavour!)
- Cereal (cheerios, weetos, rice crispies, cornflakes)

What to do:

- Dip the strawberry into the yoghurt.
- Dip it again into cereal.
- Put the fruit in the freezer for 20-30 minutes for an extra special delight.
- Enjoy!

Mathematics : Let's sing a number rhyme

Choose the number song you want to sing today.

https://www.bbc.co.uk/programmes/b03g64rd/clips

Lets count to 20. Tap your knees as you count forward to 20

Clap your hands together as you count back from 20 to 0

Now have a go at these maths activities.

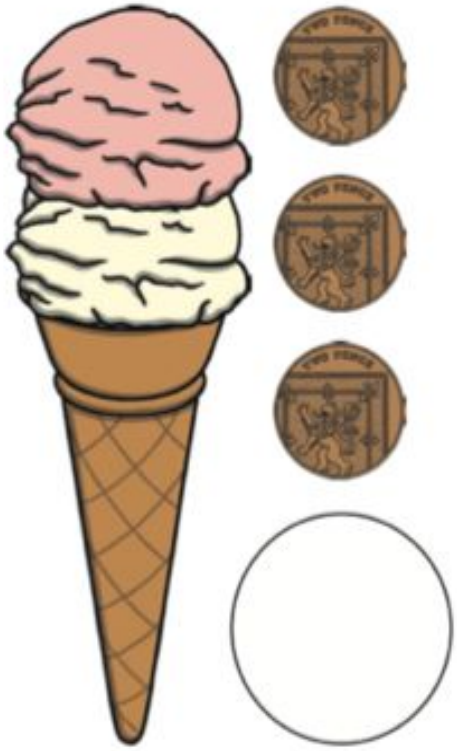
Money is what we use to buy food and other things in shops and supermarkets.

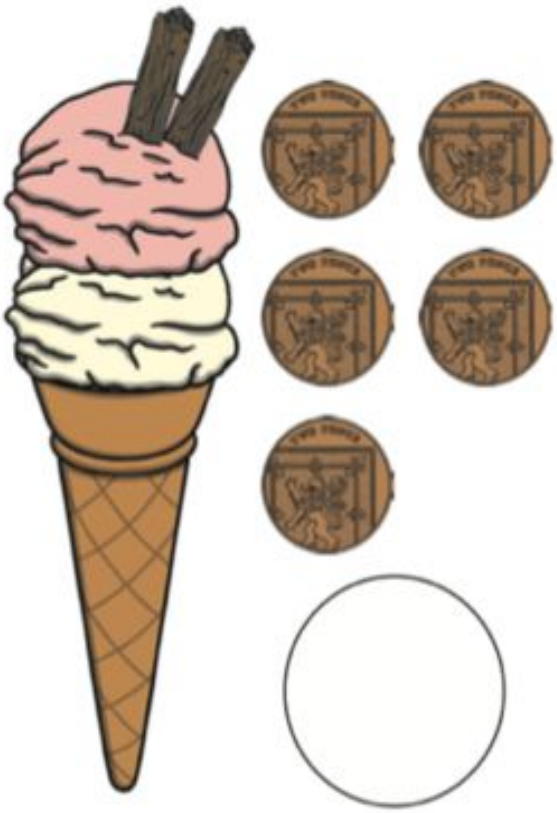
This is a one penny coin - 1p. If there are seven 1p coins, it makes 7p.

This is a two penny coin - 2p. A 2p coin is larger than a 1p coin. If there are three 2p coins, it makes 6p.

Remember to tap on the toin twice when counting how many pennies there are!

How much does each ice cream cost?



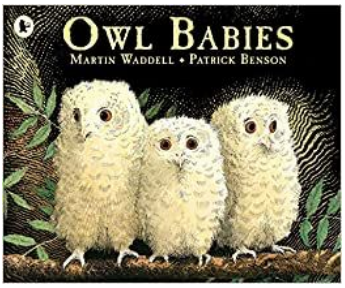


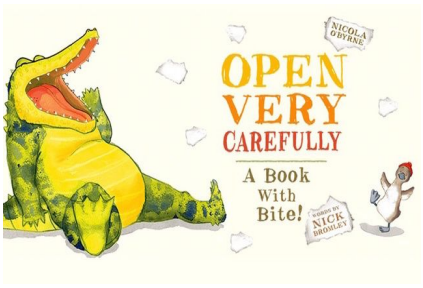
Additional activities to do daily

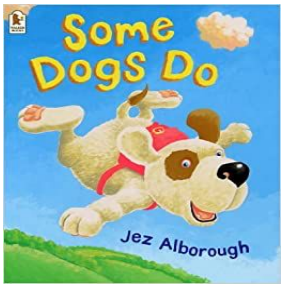
- Correctly write your name using a capital letter for the first letter only.
- Learn to read and write these tricky words: he, she , we, me, be, are, to, do, so, with, then, was
- Practise your handwriting- make sure you are forming your letters and numbers correctly.
- Read your books.

Storytime

Choose your favourite story from the link below to read with your grown up!







https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/

When you're sharing a story together ask why your child thinks something has happened, what might happen next or how they think the story might end?

• Use different voices, like loud voices or squeaky voices, when we're telling stories.

Let your child play with their toys and take a break!

Circle time.

We have been at home keeping safe during lockdown. We have not been in school and have not seen our friends. Parents have been working from home and you have been doing your school work at home too. You may have some worries or some questions you would like to ask.

Grown ups, use this time to address questions your child may have about coronavirus or going back to school. You may want to have circle time as a family.

Questions you may like to ask:

- How has being at home made you feel?
- What have you enjoyed most about being at home?
- What do you miss?
- Is there anything you are worried about?
- What are you most looking forward to about going back to school?

Please practise writing all the letters and numbers everyday.

Apps you Might Like to Explore with Your Child

CBeebies Storytime is filled with free interactive story books and bedtime stories for young children and is a great way to enjoy reading with your little one. The library is always growing, with amazing stories featuring all the CBeebies' favourites.

Teach Your Monster to Read is a phonics and reading game that's helped children learn to read. The app covers the first two years of learning to read, from matching letters and sounds to enjoying small books.
