

Thoughtful Thursday! 18/06/20

Dear Parent/Carer,

The Reception team hope that you and your children are safe and well. Here are some ideas and suggestions for a great day with your child.

Wake and Shake (10 minutes max)

- Let's learn about exercising!
- Exercising is when you do a physical activity so your body can stay fit and healthy.
- Try some of these at home today!
- You could also join Joe Wicks on youtube every day at 9am he will take you through a PE session. Click the link to join in. <https://www.youtube.com/watch?v=K6r99N3kXME>

Click on the website and have a dance!

Literacy

People who help us:

This week we will be looking at how police officers help us. The police are part of the emergency services that can be reached by calling 999 in an emergency. They have special jobs and help keep us safe and make sure everyone follows the law. They use special equipment and wear uniforms so they are recognisable to the public.

Police officers wear badges. Down below is a police badge template. Draw a picture of yourself and write your name. Now that you have your very own police badge, why not do some role play as a police officer? How will you keep people safe? Talk to your grown ups!

**METROPOLITAN
POLICE**

POLICE OFFICER

Warrant No:

Name:

This acts as warrant and authority for performing the duties of this officer.

Signed:

Commissioner of Police

Snack time:

Let's have a pizza party!

Pizza toast.

Things you'll need:

- A slice of bread
- Pizza sauce/tomato puree
- Cheese
- Any toppings you like! Tomato, peppers, onions, sweetcorn, pepperoni, chicken, tuna.

What to do:

1. Spread the pizza sauce/tomato puree all over your slice of bread.
2. Sprinkle the cheese over the bread.
3. Add your choice of toppings.
4. Ask a grown up to put it in the oven/under the grill as it is very hot! Cook until the cheese is golden brown.
5. Slice and enjoy! Yum!

Mathematics : Let's sing a number rhyme

Choose the number song you want to sing today.

<https://www.bbc.co.uk/programmes/b03g64rd/clips>

Lets count to 20. Tap your knees as you count forward to 20

Clap your hands together as you count back from 20 to 0

Now have a go at these maths activities.

Let's learn about money!

Money is what we use to buy food and other things in shops and supermarkets.

This is a one penny coin - 1p.

Can you count how many 1p coins are in each jar?

If there are seven 1p coins, it makes 7p.

This is a two pence coin - 2p. A 2p coin is larger than a 1p coin. If there are three 2p coins, it makes 6p.

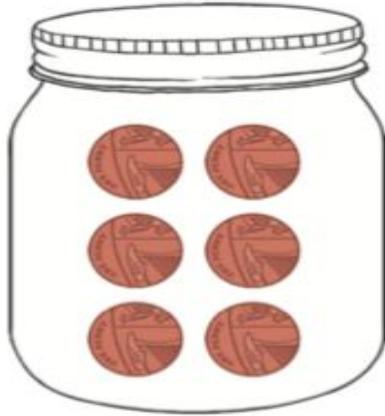

Remember to tap on the coin twice when counting how many pennies there are!

This is a five pence coin - 5p. A 5p coin is silver and smaller than the other coins. If there are two 5p coins, it makes 10p.

Remember to tap on the coin five times when counting how many pennies there are!

How much money is in each jar?

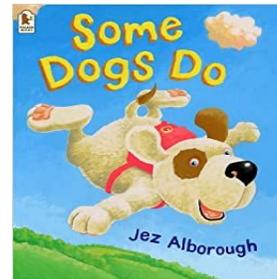

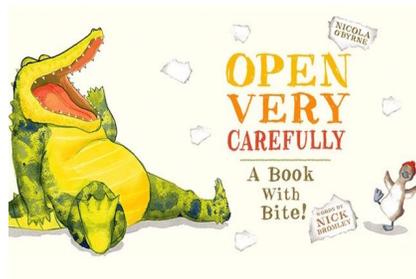

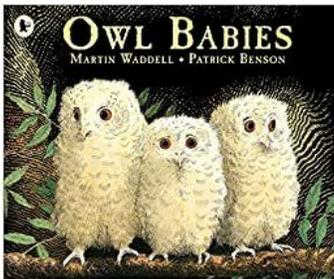

Additional activities to do daily

- Correctly write your name using a capital letter for the first letter only.
- Learn to read and write these tricky words: he, she, we, me, be, are, to, do, so, with, then, was
- Practise your handwriting- make sure you are forming your letters and numbers correctly.
- Read your books.

Storytime

Choose your favourite story from the link below to read with your grown up!

<https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/>

When you're sharing a story together ask why your child thinks something has happened, what might happen next or how they think the story might end?

- Use different voices, like loud voices or squeaky voices, when we're telling stories.

Let your child play with their toys and take a break!

Follow the leader!

Follow the leader can be really fun and help you work on your memory!

Ask your grown up to follow your actions - dancing, clapping, marching, singing, stamping.

Swap with your grown up and follow the actions they do! Grown ups, why not make it slightly challenging by giving two or even three actions to copy at once?

FOLLOW THE LEADER!

Please practise writing all the letters and numbers everyday.
