Weekly Newsletter

Date: 12th May 2023

Dear Parents and Carers,

Year 6 SATS

This week was an important time for our Year 6 pupils. They have been working extremely hard in lessons and taking more time at home for revision in preparation for their SATs. The pupils came to school on Tuesday focused and ready for their assessments and have maintained their concentration throughout the week. All the staff members at Essex Primary are very proud of the dedication shown by the pupils and the effort they have put in for the SATs. Well done Year 6!

Learning in the Resource Provision

Pupils in the Resource Provision are learning about the world around them and how to care for plants to help them grow. As the weather improves, they have been digging over the soil in the beds and pulling up weeds to prepare the soil for planting. They have also spent time potting cress seeds. They filled the pots with soil, either using their hands or carefully holding the trowels then poured the soil into each pot. They gently put the seeds into the pot and watered them.

We have enjoyed seeing the seeds grow within the week and will soon taste the cress. Let's see what the children think of its taste!

Learning in the Nursery

This week, the nursery children have been using the story 'Oliver's Vegetable' to learn about healthy eating. They have explored different vegetables and learnt that they are good for our body and health. Hamzah said "Vegetables help you grow!" and Anisa said "We need to eat carrots and broccoli to be strong." Children chose and painted our favourite vegetables. Ayesha said "I like lettuce, I have it in my sandwiches."
