Dear Parents and Carers,

This term in Art, the Year 2 pupils will be creating 'Plein Air' drawings and watercolour paintings inspired by Claude Monet and Joseph Turner. They visited Wanstead Flats to look at the local area landscapes and capture different portions of the sky. Pupils used picture frames to capture core details within a snapshot before applying the 'look, draw, look' skill in their drawings. The children were able to apply their observational drawing skills, which included sketching, shading and creating different tones, to create a real-life representation of the landscape that they could see before them. This visit enabled pupils to develop these fundamental skills and express their creativity in a real-life context, which will prove invaluable to them as they continue their creative arts journey during their years at Essex and beyond.

Junior Citizens at Tate and Lyle

Year 6 pupils were fortunate to participate in the Young Citizens initiative where they met members of numerous different emergency services including the London Fire Brigade, Metropolitan Police, Coast Guard, TfL and Animal Welfare Agency. The pupils participated in a number of talks about a range of subjects, from information about what poaching is

most common in the UK, discussions about how to stay safe at secondary school, online and on the

transport network and what Newham recycles. The aim of this visit was to best prepare the young people for their upcoming transition into secondary school and the hosts were extremely impressed with the knowledge and maturity that our pupils showed.

Important Messages /Reminders:
