

Attendance, Attention and Achievement

Weekly Newsletter

Date: 19th June 2020

Dear Parents/Carers,

We hope that you, your families and your friends are safe and well.

This week, we safely and successfully welcomed back children from all Reception Classes and Year 6. It was lovely to see the happy smiles on the children's faces as they greeted their teachers and friends. Although school must have seemed very different, very quickly, the children adjusted to their new learning environments and thoroughly enjoyed the activities set out for them. The opportunity to work with the children in small groups means we are able to give lots of focused input which will ensure the children are best prepared for the next academic year. We hope that more children are able to return to school, so they do not miss out on what their friends are enjoying and achieving.

Next week Year 1 and Nursery children return - commencing Monday 22nd June.

Nursery class NDam and Year 1 class 1N will attend school on Monday 22nd June. Each day thereafter, another class will attend school and the process will follow. By Thursday 25th June, all 4 classes Year 1 and the Nursery will be attending daily. Please see the timetables below for your child's starting day, arrival and departure times.

NURSERY CLASSES: Week Commencing: 22nd June 2020

Class	Start Date	Entry Gate	Entry Time	Exit Time
NDam	Monday 22nd June 2020	Nursery Gate Follow one way system for exit	9:20am	11:45am
NTam	Tuesday 23rd June 2020	Nursery Gate Follow one way system for exit	9:30am	12:00pm
NDpm	Thursday, 25th June 2020	Nursery Gate Follow one way system for exit	1:00pm	3:15pm

YEAR 1 CLASSES: Week Commencing: 22nd June 2020

Class	Start Date	Entry Gate	Entry Time	Exit Gate	Exit Time
Class 1N	Monday, 22nd June 2020	Essex Road	8:45am	Essex Road	2:45pm
Class 1A	Tuesday, 23rd June 2020	Essex Road	8:55am	Essex Road	3:00pm
Class 1K	Wednesday, 24th June 2020	Essex Road	9:10am	Essex Road	3:10pm
Class 1R	Thursday 25th, June 2020	Essex Road	9:20am	Essex Road	3:20pm

PARENTS WILL NOT BE FINED IF THEY CHOOSE NOT TO SEND THEIR CHILDREN but children will be marked absent.

We will continue to review our risk assessments throughout the week. We expect parents to **read all school PING communications carefully** for any updates and information regarding Zoom parent meetings coming up.

Children will

- **ONLY BE ADMITTED ON THEIR STARTING DATE**
- **MUST ATTEND DAILY UNLESS THEY ARE UNWELL**

If a child is absent or has missed their starting date then they will **not be admitted into school until the beginning of the following week on Mondays only.**

Provision for years 2, 3, 4 and 5 - Online Learning

Online learning will continue to be provided for Years 2, 3, 4 and 5.

The expectation is that all other year groups will be in school and receiving face to face teaching sessions in school. If parents of children in Nursery, Reception, Years 1 & 6 choose not to send their children to school then **parents will need to take full responsibility for their child's education** as well as their **on-going role in helping their child learn to read** by practising with them every day. Daily lessons are available through the Oak National Academy <https://classroom.thenational.academy/> or BBC Bitesize <https://www.bbc.co.uk/bitesize>

Zoom Live Learning Sessions

Next week, we will be offering a live learning session for each year group of children who are not attending school.

Please see dates and times below:

Date	Time	Year Group
Tuesday 23rd June	10.00 am	Year 1
Tuesday 23rd June	2.00 pm	Year 2
Thursday 25th June	10.00 am	Year 6
Thursday 25th June	11.00 am	Year 5
Thursday 25th June	1.00 pm	Reception
Friday 26th June	10.00 am	Year 3
Friday 26th June	11.00 am	Year 4

Times Tables Rock Stars Competition

Times Tables Rock Stars is running an exclusive Rock Out times tables competition for **Maths Week London!** We'd like all our children to take part as they're on a mission to find the most dedicated TTRS schools, classes and pupils in London. We hope that it will be children from Essex Primary School who snap up the fantastic prizes on offer.

London Rocks 2020 runs from 22nd June to 26th June and challenges all classes in London schools to correctly answer as many times tables questions as they can. For every correct answer to a multiplication or division question, your child will earn their class a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the

competition hours). Winning classes in the school and in the competition as a whole will be the ones with the highest average.

All game modes (Gig, Garage, Studio, etc.) will count but only from games played between 14:00 and 19:00 on Monday 22nd, Tuesday 23rd, Wednesday 24th, Thursday 25th and Friday 26th.

The Summer Reading Challenge has begun!

A reminder that the summer reading challenge is underway.

<https://summerreadingchallenge.org.uk/>

The Summer Reading Challenge website

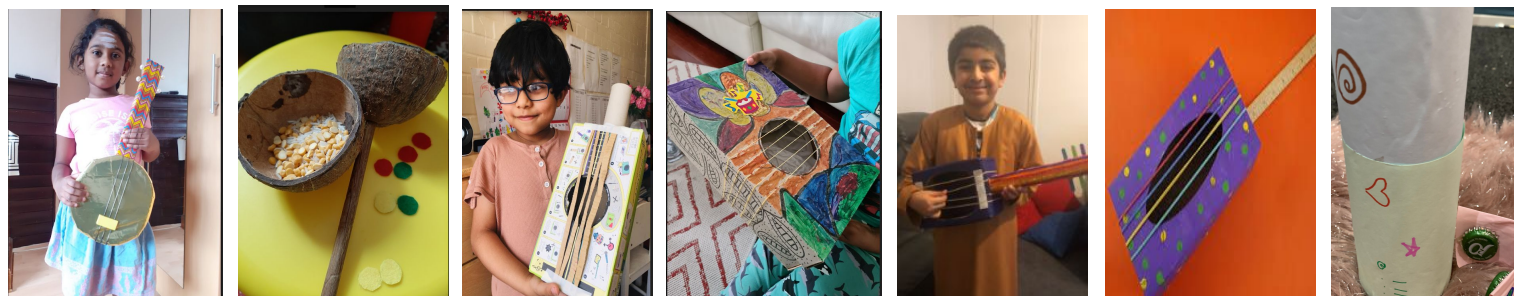

The Summer Reading Challenge website allows your child to keep track of the books they have read during the summer and beyond.

We hope that you will help your child to take the challenge!

Let's Celebrate!

KS1

In KS1 children made musical instruments using recycled materials.

KS1 Stars of the week

KS1 are extremely proud of the children's achievements during the lockdown. The teachers have awarded some of the pupils with the star of the week.

Raksitha Naresh	1R
Sanjana Jeyaseelan	1N
Aliyah Memon	1K
Yasser Sarker	1A
Haseeb Ahmed	2D
Yahya Miah	2A
Araf Sohail	2K
Aroush Sohail	2N

A big shout out to Aayan in 3I who has written this fantastic poem!

World Environment Day

Forests are where animals can breed
But trees are all gone because of greed
There must be something that we can do still do
But do you still care with the things around you

Akitha in 3H did some planting at home using tomato seeds.

Arnav shared some of the plants he has been growing in his garden.

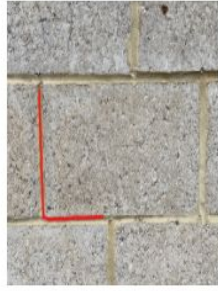

Raqia in 3A says, 'I enjoy gardening because it is fun and watching plants grow makes me happy'.

Yahya has done a brilliant job finding angles in his local surroundings.

Ijlal in 3B has composed a brilliant Times Table poem.

Three times one is three, everyone sing with me,
Three times two is six, everyone lets eat a twix,
Three times three is nine, look at the time,
Three times four is 12, everyone let's delve,
Three times five is 15, everyone don't be mean,
Three times six is 18, my friend is turning 19,
Three times seven is 21, let's go on and on,
Three times eight is 24, have some more,
Three times nine is 27, lets go to heaven,
Three times ten is 30, let's have a party,
Three times eleven is 33, let's have a cup of tea,
Three times twelve is 36, let's get some waffle mix.

Year 4 designed and drew a magic hat with different powers. They used their magical item to write an imaginative story.

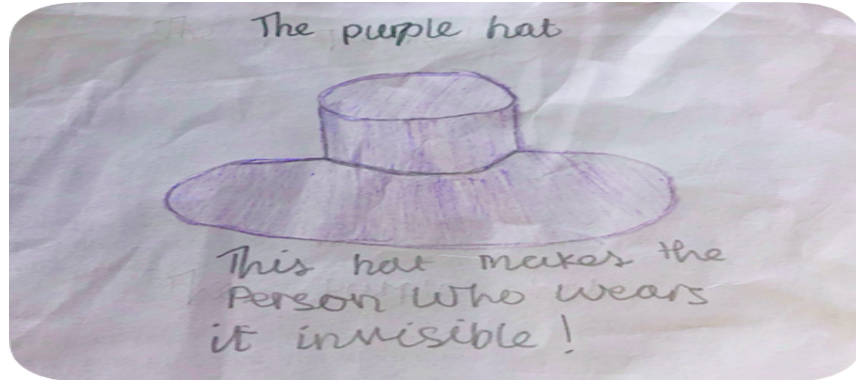

"This hat's magic power is that whatever you put inside it, you get a hundred times more of that thing." Keith in 4K

This is a magical hat that lets out electricity and can zap targeted people. The power from this hat can also be passed to other animals so they can use it.

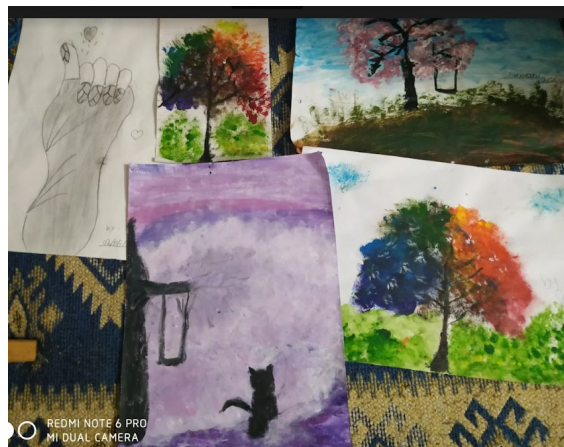

Troy 4P

This week year 5's explored various artists' work and applied ideas into their own work.

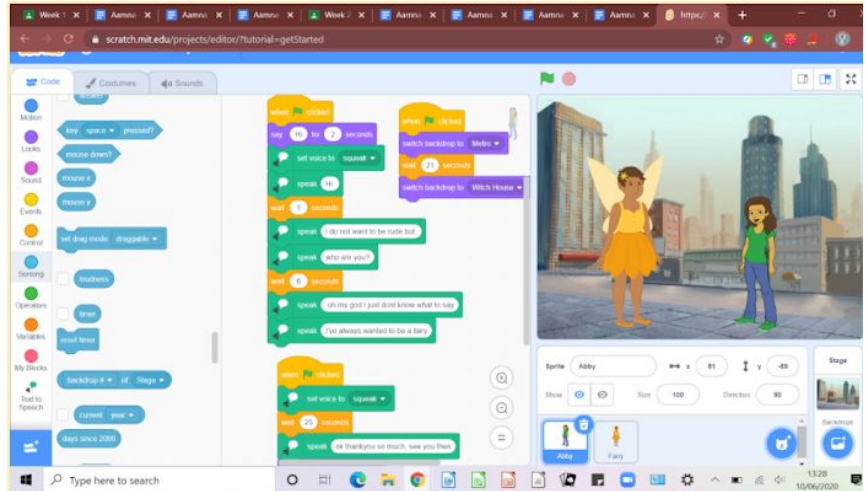

Tia 5A

Shravani 5H

Fayaz 5P

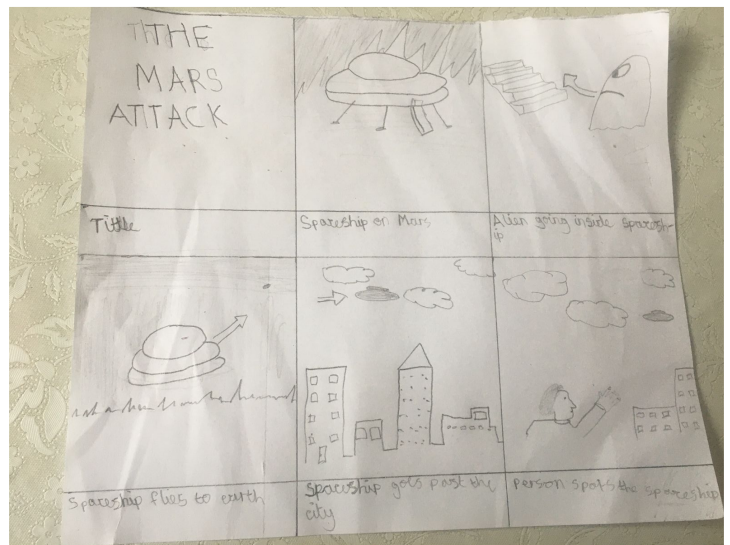

Aamna 5B

For computing children had a fantastic time exploring the command buttons on scratch to navigate the avatars.

In English children were asked to use their comprehensive skills to summarise main events and create a storyboard.

Yours sincerely,

Mrs Cecilia Mojzes

Rick Probett

Mrs Amber Ilyas
