

Day 1:

Draw or paint a picture of a plant?  
What colour do you need? Can you remember the different parts of a plant? Try using the words stem, roots, leaves and flower to describe your plant.

'Sunflower is a very long word for a very tall flower!  
What other words can you think of that start with 'S'? Can you think of any words to do with flowers or the garden?

Try making a model of a flower. You could use playdough, paper or card, construction toys, empty cardboard tubes and boxes or plastic tubs and pots. Think about how you could make the stem, the flower and the leaves. We would love to see

Try growing some plants or flowers at home. You could try planting some seeds in a pot or in your garden. Remember to give your seeds some water and put them somewhere sunny. Cress seeds grow quite quickly.

Go for a walk in the garden. Look carefully to see what plants and flowers you can see growing. You could take some photos or draw some pictures of the things you see
