

Day 5

MATHS FOCUS

We will be learning about the teen numbers.

A teen number is made of a group of 10 and 1's past the number 12 (13, 14, 15, 16, 17, 18, and 19.)

Can you count the following items at home and see how many you have?

Socks

Shoes

Pegs

Plates

Cups

Spoons

Forks

Knives
