

LO: To plan a story

Today we would like you to look at this picture. As we are in our houses for so much of the day think about escaping along these tracks. Put your ideas down in bullet points. You can do this on a piece of paper or in your homework books. This is the plan for your writing throughout the week.

What sounds would you hear? Where might they be leading? How are you travelling along them? Who are you with? Describe the image.

LO: To plan a story

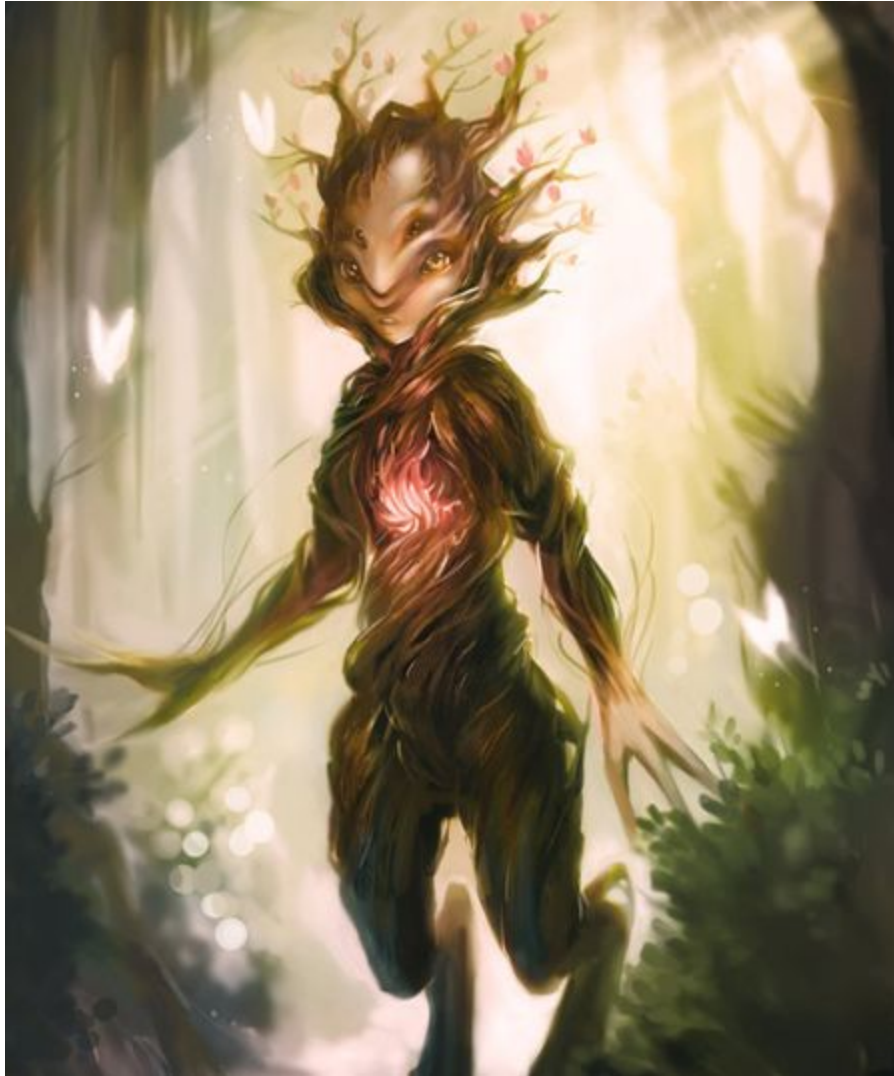

You have now arrived at your destination.

What might happen here? How did you arrive? Who might live here? Where is it?

What will happen here? Use descriptive language.

LO: To plan a story

You have now met another character. You need to carry the story on from here. Are they kind? What do they look like? Are they male or female? What might happen next?
