Character description example to help you:

Joe, a young boy with messy brown hair and dark brown eyes, always craved chaos and adventure. He spent his days in school scheming how to become an outstanding mechanic so he could build his own supersonic spaceship. His chemistry teacher, Miss Ali who was rather bossy, told Joe that he would need to be a strong character to make it into space. Joe

often felt butterflies in his stomach when dreaming of space, this usually turned to an agonising stomach ache when he realised he hadn't been paying attention to the teacher!
