It's really important that we take care of the presentation of our work. You have been doing some great work online, well done. But we don't want you to forget your great handwriting skills, so don't forget to practise writing regularly.

Task 1

Read the above words and practise writing them neatly in your homework book.

Task 2

Challenge 1 - Choose 4 words and write four interesting sentences in your homework book.

Challenge 2 - Choose 6 words and write six interesting sentences in your homework book.

Challenge 3 - Write sentences for each word in your homework book.

Task 3

After that, take a photo and upload it on Google Classroom.
