

Before you begin today's session, write down as many facts or as much information as you can remember from our learning on time.

Mind Workout

Date: ____

Look at the pictures below.

In a 200 m race, Sam was 7 seconds ahead of Ravi at the finishing line. However, Sam was 5 seconds behind Charles.

If Sam took 42 seconds to complete the race, how long did Ravi and Charles take to complete the race? Who won?

Answer

Review 9
