

Grouping Equally

Lesson 1

In Focus

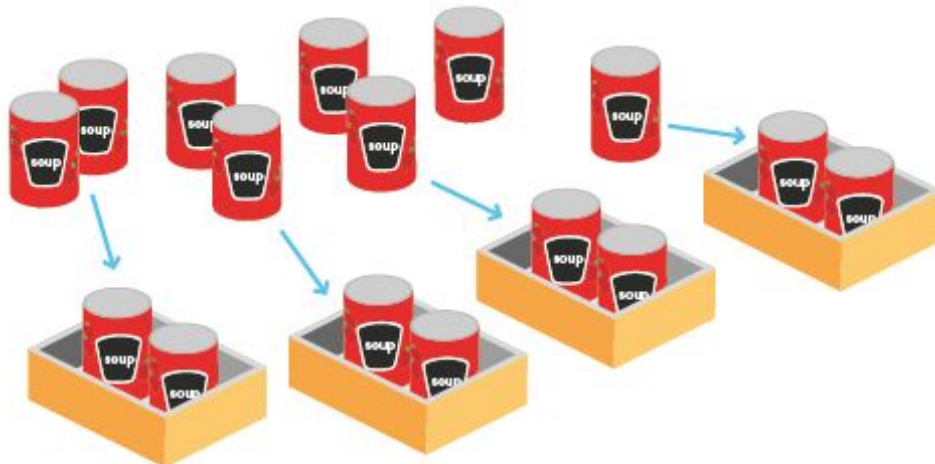

Emma puts 2 cans of tomato soup into a box.

Today, we are going to be focusing on division - grouping equally.
Have a look at the in-focus task above and discuss with a grown-up: How many boxes does Emma need for all the cans? Now have a look at the Let's Learn section below.

Let's Learn

1 There are 8 cans.

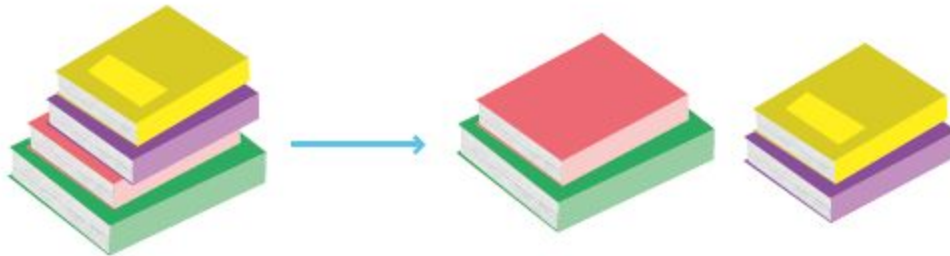

There are ___ boxes of ___ cans.
