

Maths Day 2 Challenge 2 L.O. To be able to solve money problems

Please write the answers in a different colour

1 You have £5.70 in your piggy bank and you save up another £6.40.

How much money do you now have in total?

2 You have £5.00 in your pocket and decide to buy a drink which costs £1.50.

How much money will you have left?

3 You have £3.00 and you buy toast in school for yourself and seven friends.

This comes to 70p. How much money will you have left?

4 Mrs Davison has a £20 note and buys three magazines which each cost £3.50.

How much change will she receive.
