

During the half term, you completed a '*plants project*'. We would like to know if you are able to name parts of a plant and describe its function.

Activity 1

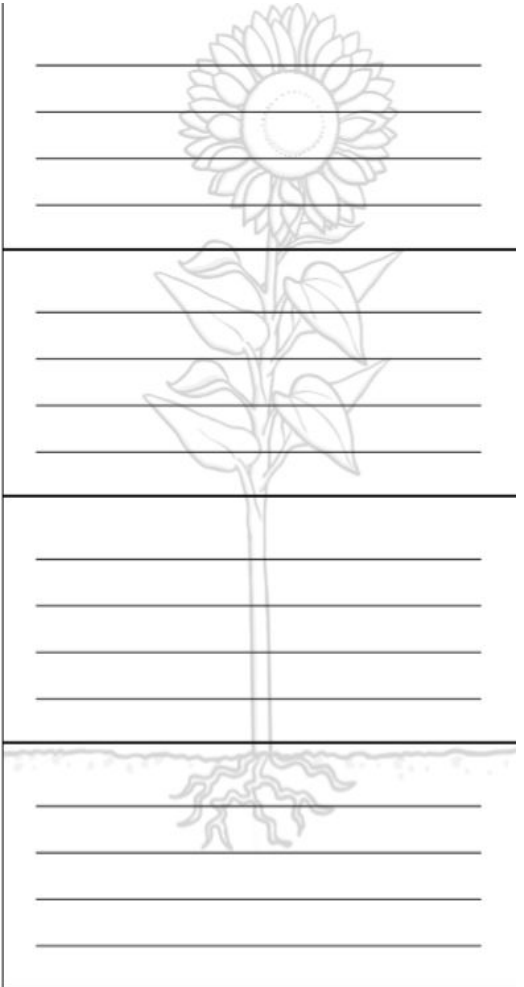

Parts of a Plant

Part 1

Glue part 1 here.

Fill in the gaps to explain the different jobs.

Part 2

Activity 2

Let's get busy! Your task is to use recycled materials in your house to make a plant of your choice. Look at the images below to help you.
