

Week 4: English Task

Last week you wrote your new adventure story for the movie 'Up!'

This week we would like you to write a newspaper article.

Select one of the following scenarios that your article is based on:

Carl and Russell have landed in your village. Everyone who is living in the village is shocked. You are informing your villagers about who these strange people are- are they heroes? Are they here to help?

Carl and Russell have been wrongly convicted of stealing the Pharaoh's golden crown. You are informing everyone in Ancient Egypt about how they stole the golden crown. What was Pharaoh's reaction? What will happen to them when they are captured? Any witnesses? Remember you are in favour of the Pharaoh!

Carl and Russell have returned from their crazy adventure. They have become celebrities and everyone wants to know about it! You need to include interviews and maybe some quotes from people who say them or know them.

Monday: Plan your newspaper article using the planning sheet.

Watch <https://www.bbc.co.uk/bitesize/topics/z2yycdm/articles/z2gk9qt> to help you understand what an article is..

Rest of the week:

Using your plan as a guide write your article. Use the checklist to help support you when writing your article, this also has sentence starters. Use Google Docs, you may like to write in columns and add pictures with captions.

Edit and improve your writing.

Then **'turn your work in'** via Google classroom.
