My setting description example:

Above the soldiers head, a peculiar, thick mist rose while the soldiers stood desperate to attack. The cold night air reeked of danger. Quietly, the air filled with an eerie darkness on what would have normally been an ordinary day. Not today, perhaps never again. Quiet as a mouse, the villagers rowed their boat as far from the monstrosity as they could, while the attackers reigned supreme. Aeroplanes filled with fighters launched separate attacks hoping to target the enemy with their weapons which were quite deadly. A high pitched whistling noise filled the air as the fighter planes launched a deadly attack.
