Character description example:

Courageous soldiers, covered from head to toe in protective gear, quietly inched towards the Eiffel Tower. Feeling desperate and alone, a peculiar young soldier stood to one side, whispering separate prayers for each member of his family. He was an ordinary looking boy with pale, freckly skin and long, pitch black hair that reached his shoulders. In his arms, he held a deadly weapon that had been given to him by his commander specifically for this peculiar mission. Already the boy was shaking with fear, sweat trickled down his back and his knees felt like jelly.
