

# Yr 5 Easter Holiday Homework

## Task 1 - History

After half term, you will be learning about Ancient Egypt. We would like you to conduct your own research about Ancient Egypt and create a fact file. You can also use Google Slides. Things you can research: **Way of life, Culture, Belief system, Food, River Nile**. Remember to include interesting facts, dates and pictures!

## Task 2 - English Project

Create an Ancient Egyptian artefact/monument out of a range of materials. You can choose from the following or create an artefact/monument of your choice: **Mask of Tutankhamen, Great Pyramid of Giza, Canopic jars, Egyptian jewellery, The Sphinx**.

## Task 3 - Maths/ Times Tables

A mini-sudoku is a 4 by 4 grid, where each row, column and 2 by 2 outlined block contains the digits 1, 2, 3 and 4 once and once only.

How many different ways are there of completing the mini-sudoku shown?

|   |   |   |   |
|---|---|---|---|
| 1 |   |   |   |
|   | 2 |   |   |
|   |   | 3 |   |
|   |   |   | 4 |

Keep practicing your times tables. Use the following website:

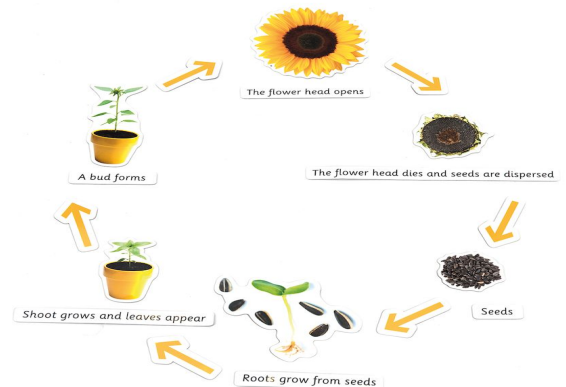

<https://trockstars.com/login>

## Task 4 - Science

1. Buy a plant and look after it/ plant your own flower (sunflower) seed and watch it grow. Throughout the holiday, you need to **observe** your plant.

What do you notice? What impact do **water, food and light** have on the plant? Observe and make notes daily titled '**My Plant Diary**'.

2. Create a life cycle diagram for a flowering plant (of your choice) to explain the stages of growth. Make it informative and colourful!

## Task 5 - Reading

Complete the Easter reading comprehension questions. Make sure you answer in full sentences using Point, Evidence and Explain.

Please return your homework on the first day of the new term. Ensure that all homework is of high quality.

Have a lovely break! :)
