

# Yr 6 Easter Holiday Homework

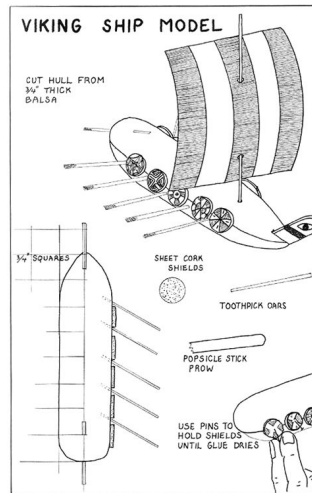

## Task 1 - History

After half term, you will be learning about Vikings. We would like you to conduct your own research about Vikings and create a fact file. You can also use Google Slides. Things you can research: **clothing, food, cultures, traditions, travel arrangements.** Remember to include interesting facts, dates and pictures!

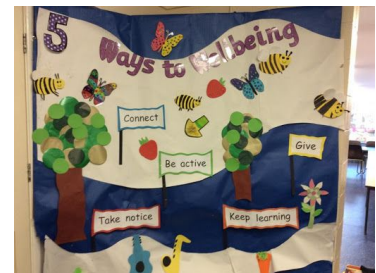

**Task 2:** Create a 3D model related to the topic of Vikings. Be creative but safe!

## Task 3 - PSHCE

1. Create an innovative poster about the importance of well-being and how to cope with emotions. Think of challenges you face and you may cope with them in a positive manner.

## Task 3 - Reading

Read a book of your choice and write 10 interesting questions which include a retrieval, inference and prediction questions that you can ask your peer when you return.

Please return your homework on the first day of the new term. Ensure that all homework is of high quality.

## Task 4 - Maths

Please check on google classroom for activities.

Have a lovely break and be safe! :)
