

Weight.

Ask a grown up to copy this table into your homework books.

heavy	light
<p data-bbox="203 751 251 787">E.g.</p> 	<p data-bbox="824 745 873 781">E.g.</p> 

Find objects around your home and draw a picture of them in the table in your homework books.

Tell your family which object is heavier/lighter.  
E.g. *"The computer is heavier than the apple"*.
