Week 7 - Day 3

Prediction

Read chapter 1 of *The Firework-Maker's Daughter*.

Today you will write a prediction of what you think will happen in the next chapter.

You must use evidence from the text to help you with your prediction. Look at my example below to help you.

Make sure your answers are sensible predictions related to the text.

My example:

I predict that in the next chapter, Lila and her father will have an argument about her future and Lila will run away from home. This is because in the text it says 'You don't imagine you can stay here forever, do you?' and 'They looked at each other as if they were strangers'. This shows that they have different ideas about what Lila should do in the future. I also predict that Lila will become a famous firework-maker because she is very good at making her own creations 'The Tumbling Demons were a great success, and so were the Shimmering Coins that Lila invented'.
