

LO: Animal poem plan

Today, we are going to plan our animal poem. Remember we need to include plenty of adjectives to create imagery in our poems as well as rhyming pairs/couplets to create a rhythm. **Each class is focusing on a different animal group:**

1R- Mammals

1A - Reptiles

1N - Fish

1K - Birds

Both animals you write about must be from the SAME animal group.

Example:

Animal	Part of the animal	Adjective	<u>Rhyming word</u>
lion	fur	soft	coughed

The giant lion's fur was so soft

Licked it clean, until it coughed! *

**You do not need to write a rhyming couplet today, this is an example of how your poem will look over the next few days. Remember to use words that will link to the animal(s) you are writing about.*
