

We have been away from school for quite some time now! The teachers are missing you and we know that you are missing life at school too. We would like you to write a letter about 'Life at Home' detailing how you've adjusted to the 'new normal'.

Today you are going to plan a letter about life at home, then you are going to write a letter to your **class teacher**.

Here are some ideas for things that you can include:

- What has life been like at home?
- What have you enjoyed the most?
- What haven't you enjoyed whilst being at home?
- Are you eating a lot more snacks now? (healthy and unhealthy)
- What do you think about the activities on google classroom. Give reasons. Do you enjoy it? How do you think they can be improved?
- How do you stay entertained throughout the day?
- What do you miss most about school?
- How has your routine changed since being at home?

\*\*If there's any additional information you'd like to include, then feel free.

Don't forget to include an address at the top right hand side of the page (make up an address)
