

Please watch the videos below about The Great Fire of London which help us imagine what London looked like at the time.

Once you have watched the video I would like you to plan a story about the events of GFOL.

There are some pictures and questions below to help you plan.

You can bullet point the main parts of your story today, but from Tuesday onwards you are writing a story like you would in school. It must be 10-12 lines long.

Beginning:

Who are you?

How did the fire start?

What does it look like?

Where does it spread to?

How do you feel?

Middle:

How did people react?

Did you help put out the fire?

What did you use?

Were you scared?

Where did you run to?

Ending:

What happened to London?

Were you sad?

How are the people around you reacting?

What will you do tomorrow?
