

## LO: To be able to identify physical and human features of the UK

Your task is to understand what a human and physical feature is by focusing on different areas of the UK.

**Activity 1: C1/C2/C3** Look at the various images, label whether they are a physical or human feature.

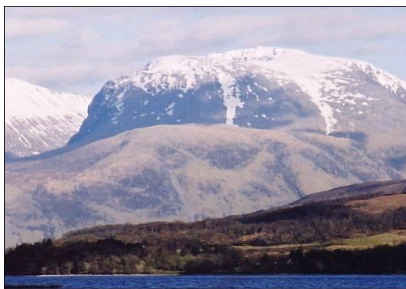

1. Big Ben/Houses of Parliament, London

2. Durdle Door on Jurassic Coast, Dorset

3. Wembley stadium, London

4. Ben Nevis, highest mountain in the UK

5. Forest of Dean, Gloucestershire

6. Angel of North, Gateshead

7. Explain in your own words what a physical and human feature is. You must provide two examples for each definition. Use your research skills to help you with this activity.

A physical feature is.....

Examples of physical features in the UK include.....

A human feature is.....

Examples of human features in the UK include.....

**Extension C2/C3:** Below is a map of the UK. Cut out and stick each picture around the outside of this map and draw a line to where it is located in the UK. Label if it is a physical or human feature. Use google maps to help you with this task. You can do this activity on a separate sheet of paper. Once completed, take a picture of it and upload onto google classroom. **One example has been done for you.**

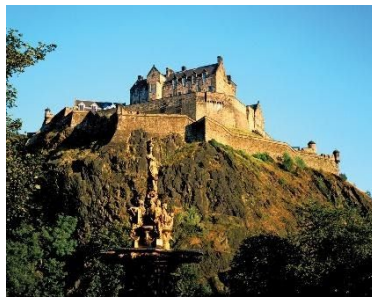

Clifton Suspension Bridge, Bristol

River Severn, longest river in the UK

windmere lake

Edinburgh Castle

White cliffs of Dover

Buckingham Palace

Mourne Mountains
