

Week 8 Challenge 1

Monday

L.O: To add and subtract two-digit numbers using a number line .

Watch the video on Number Lines!

<https://youtu.be/ZjHVSyz6voY>

Look at how we can use a number line to solve this problem: $12 + 13$

Have a go at solving these problems for yourself. Remember to use a number line and show your workings out!

1. $12 + 16$
2. $24 + 9$
3. $32 + 14$
4. $30 + 17$
5. $63 + 24$
6. $50 + 18$
7. $41 + 53$
8. $60 + 14$
9. $85 + 11$
10. $34 + 62$

Look at how we can use a number line to solve this problem: $32 - 14$

Have a go at solving these problems for yourself! Remember to use a number line and show your workings out!

1. $21 - 4$
2. $32 - 11$
3. $40 - 16$

4. $35 - 13$

5. $69 - 45$

6. $97 - 21$

7. $84 - 26$
