

Week 5 Day 3 challenge 1

Number Sequences

45 46 47 50

When working out a number sequence you must work out the difference between the numbers. The difference is always add 1 (+1) in the above sequence.

Answer is 48 49

Work out the two missing numbers for each sequence:

23 26 29 - 35 -

33 32 31 30 - -

18 14 10 - - -2

6 12 18 - 30 -

5 10 20 - 80 -

3 7 15 - 63 -
