

## Magical Monday! 11/5/20

Dear Parent/Carer,

The Reception team hope that you and your children are safe and well. Here are some ideas and suggestions for a great day with your child.

### Wake and Shake (10 minutes max)

- Let's learn about exercising!
- Exercising is when you do a physical activity so your body can stay fit and healthy.
- Try some of these at home today!
- Time to try some of these yoga moves. How long can you hold the pose? Ask your grown up to join in too.

Click on the website and have a dance!

<https://www.bbc.co.uk/programmes/b006mvsc>

## Story time

Read "The Three Billy Goats Gruff" See the story below. Click on the link at the bottom of the page to hear the story.

**Make a wanted poster for the troll.**

He was not very kind to the goats as they trip trapped across the bridge.

Draw a picture of him and label it.

If we find him maybe we can take him to a police station and ask him why he is so mean.

*Can you think of 2 questions you would like to ask the troll?*

Write your questions in your book.

hairy    rough    slimy    smelly  
scabby    fierce    scary    mean

## Snack time:

This week we want you to have a go at making a few dishes with your grown up. Today you need to make a pasta dish. You can put whatever you like in it and have a go at basic skills such as grating cheese and using a fork to eat the pasta.

Let's sing a number song

<https://www.bbc.co.uk/programmes/p03rdgn3>

Lets count to 20. Jump as you are counting. Let's start from 20 and stop at 10.

[Additional activities to do daily](#)

- Correctly write your name using a capital letter for the first letter only.
- Learn to read and write these tricky words: he, she, we, me, be, are, to, do
- Practise your handwriting- make sure you are forming your letters and numbers correctly.
- Read your books.

[Storytime](#)

Read this story together.

Click on the link

[Hairy Maclary from Donaldson's Dairy](#)

Join Hairy Maclary and his friends as they take a walk into town.

**Time for some maths.**

(You can use cubes, pasta raisins or whatever you have at home, to help you count.)

**Try this minibeast subtraction.**

Cross off the correct amount of minibeasts and count how many are left.

Write your answers in the circle.

Do you know any other words that mean the same as subtraction?

Take away, less, minus

Challenge: Can you make up your own minibeast number problem with your grown up?

Draw it in your book.

Let your child use their toys to tell you stories that you've shared. When you're sharing a story together ask why your child thinks something has happened, what might happen next or how they think the story might end?

- Use different voices, like loud voices or squeaky voices, when we're telling stories.

Let your child play with their toys and take a break!

**Technology:**

Press buttons on things like torches, laptops, mobiles, doorbell or remote-control cars to see what happens.

Please practise writing all the letters and numbers everyday.
