

Parents, please discuss the information on these pages with your children and make sure that they have understood the concept. The grey Workbook pages should be completed by the children as independently as possible and will be checked by their teacher. Please read any instructions carefully to know how to answer specific questions.

Counting Money

Lesson 2

In Focus

Who saves more money?

Let's Learn

1 Count on to find the amount.

Charles saves £25.

2

Lulu saves £20.

3

Charles and Lulu are trying to show £70.
Who is correct?

Charles

Lulu

When counting the money in the Worksheet below, make sure you look at the notes carefully or you will get the wrong answer!

Worksheet 2

Counting Money

Write the amount of money shown.

Write your answers here:

- a)
- b)
- c)
- d)
- e)

Challenge:

Jack selects four of these coins.

He can use the coins more than once.

What total could he make?

What is the lowest total?

What is the greatest total?

Show your answers by writing addition number sentences. Remember, you can use any coin more than once but no more than 4 coins in your number sentence!
