

**Day 2 Parents**, please discuss the information on these pages with your children and make sure that they have understood the concept. The grey Workbook pages should be completed by the children as independently as possible and will be checked by their teacher. Please read any instructions carefully to know how to answer specific questions.

**Lesson  
7**

# Comparing Amounts of Money

## In Focus

I have this amount.

I have this amount.

Who has more money?

## Let's Learn

1

£2	_____	£1   £1
10	_____	10
5   5	_____	10
£1		10

has more money.

When both sets of coins are compared, Lucy has 1 pound more beyond what is the same. Charles has 10 pence more beyond what is the same. 1 pound is 90 pence more than 10 pence so Lucy has 90p more than Charles.

2

Which bag of crisps cost more?

Which group of coins has more money? How do you know this?  
How much more is in one group than the other?

 costs more than .

# Worksheet 7
