

Imagine you are making a house. You have to decide which material to use for each part.
Options: glass, metal, wood, plastic, fabric, wool or paper.

Remember some things can have more than 1 material. If you are using more than 1 please explain what each material will be used for.

You must be able to explain why you have chosen this object. Use the properties matt to help you.

Outside of the house	Material	Explain your choice
Roof		
Wall		
Window		
Door		

Inside of the house	Material	Explain your choice
Table and chairs		
Sofa		
Clock		
Bed sheets
