

L.O. Investigate hard and soft materials.

Question: Which materials are hard and which materials are soft?

Equipment: *(Add some objects which you would like to use e.g. scarf, shoes, plastic bag, foil)*

1. Wool
2. Sponge
3. Tissue roll
4. Table
5. Rock
- 6.
- 7.
- 8.
- 9.
- 10.

If you have the objects at home feel the objects and decide if it is hard or soft. You can write or draw the objects into the table.

Results:

Hard	Soft

Which object is the hardest?

Which object is the softest?
