

TOPIC – WEATHER

In Year 1 we have been learning about the weather. Today's task will be focusing on extreme weather and the dangers it can bring. You are expected to create a poster on how to stay safe during a heatwave.

In your poster include:

- A heading
- Introduction - What is a heatwave?
 - Ways to keep safe
- Colourful diagrams/pictures.

Below are examples of heatwave posters. Be creative when making your posters!
