Answer the questions, using full sentences.

1. Why did Robbie run faster and what effect do you think this had on the twins?

2. Robbie chose not to take the short cut but what problems did this cause?

3. Why did Robbie slow down?

4. Robbie curled into a ball. What would you have done?

5. How did Erica rescue Robbie?

6. Do you think Erica was older or younger than Robbie?

7. Robbie was on his way home from school. On a separate piece of paper continue the story and describe what happened when Robbie went to school the next day.

Notes for teachers

Help the children to read this passage and discuss the main events of the story. Did Robbie do the right thing? What do the children think he should have done? The last task will need discussion and pupils may like to talk through their ideas before putting anything down on paper.
