## Story time

Read "The Three Billy Goats Gruff" See the story below. Click on the link to hear the story.

Think about the questions you thought of to ask the troll yesterday. Now it's time for some hot seating! Pretend to be the troll and get a grown up to ask you the questions. Think about how the troll was feeling in the story and remember to use expression in your voice!

## Snack time:

Today you will be making your own milkshake. Explore the different types of fruits you can use.

How will you make it?

What will you use to make it?

What ingredients will you use?

How did it taste?

**Subtraction-** Use the pictures to help you complete the subtraction problems. Cross off the strawberries as you go along.

Do you know any other words that mean the same as subtraction?

Take away, less, minus

I can use pictures to take away

$4 - 2 = \square$

$6 - 0 = \square$

$8 - 4 = \square$

$7 - 3 = \square$

Now do your own pictures to solve the rest:

$6 - 3 = \square$

$10 - 2 = \square$

[Additional activities to do daily](#)

- Correctly write your name using a capital letter for the first letter only.
- Learn to read and write these tricky words: he, she, we, me, be, are, to, do

- Practise your handwriting- make sure you are forming your letters and numbers correctly.
- Read your books.

### Storytime

Let your child use their toys to tell you stories that you've shared. When you're sharing a story together ask why your child thinks something has happened, what might happen next or how they think the story might end?

- Use different voices, like loud voices or squeaky voices, when we're telling stories.

**Let your child play with their toys and take a break!**

**Technology-** Allow the children to take photos of their favourite toys, special people or the view outside their window.

Please practise writing all the letters and numbers everyday.
