My setting description.

The air was tense, an irregular, cool breeze swept through clouds, causing the birds to scatter. Slowly, the sun began to rise. The start of a new day, a chance to refresh and start anew. Fluffy, white clouds spread into the horizon, as far as the eye could see, trying to redecorate the sky as one large blanket of white. Reappearing from their hiding place, the birds returned in a V formation ready to head towards new adventures.
