

Year 1 Half-term Holiday Homework

Dear Parents,

We would like to thank you for all your hard work during this difficult time. You have been a great support to us and all your children. For the half term we would like the children to take this opportunity to catch up on their work. However, if they have completed all their work they can complete the following creative task.

Creative task (Geography): In the coming weeks, the children will be learning about continents. The pupils can choose one of the continents below, research the continent and create a booklet, poster or game. They can include information about the animals, countries or the climate.
