

Year 3 Half Term Project

22/05/2020

Year 3, you have been absolutely amazing since the lockdown began. Give yourself a pat on the back and take some time out to relax.

Here are some ideas you can try during the half term. We would like you to do any two things from the list below.

- Read/listen to a new book and tell a friend (over the phone) or your family about the book you have read. <https://stories.audible.com/discovery>
- Learn how to finger spell the alphabet in British Sign Language.

- Bake some biscuits, a cake or muffin with the help of an adult. <https://www.bbcgoodfood.com/recipes/collection/kids-baking>
- Create an art piece of natural materials found inside or outside of the house.
