

Y4 Summer Challenges

Year 4 Half Term Homework

Well done Year 4 to all of you who have completed all your learning during Lockdown. You are all superstars! If you have not completed all your learning, please do so and hand it in to your teachers.

During the half term we would like you to choose 2 tasks from the list below:

1. Choose a picture from a magazine or from food packaging. Cut this picture in half. Complete the remainder of the picture as if it was symmetrical to the other side.
2. Find a recipe for your favourite food. With the supervision of an adult, make this dish as independently as you can. Weigh and measure the ingredients, follow the instructions systematically and make sure it is cooked for the correct amount of time and at the correct temperature.
3. You can visit BBC food for recipes: <https://www.bbcgoodfood.com/recipes/collection/kids-baking>
4. Choose a museum to visit and take a virtual tour. Here are some links you might like to visit:
 - London Zoo <https://www.zsl.org/zsl-london-zoo/virtual-london-zoo>
 - Van Gogh Museum Netherlands <https://360stories.com/amsterdam/story/van-gogh-museum>
 - The British Museum <https://britishmuseum.withgoogle.com/>
 - London Transport Museum

Task 3 - Reading Read/listen to a new book and tell a member of your family. You can visit the link below for an amazing selection: <https://stories.audible.com/discovery>

Task 4 - Maths

Keep practicing your times tables. <https://trockstars.com/login>

Did you know that at the end of a television programme, the date that it was filmed is shown in Roman Numerals? As you are watching some of your favourite television programmes make a note of the Roman Numeral date and convert this into our number system to find out when it was filmed. Recognise the patterns between the times tables.

Collect this information about a number of programmes. Which programme is the oldest? Which one is the newest?

Task 5 - Fun Task!

Have fun at home - Design a poster to share a tip about **something super fun** you do whilst you are staying at home! You can use any material you have at home e.g collage, painting, drawing etc.
