

Year 5 Holiday Homework

Well done Year 5, you have been working extremely hard this half term so now it's time for you to switch off and relax.

Task 1: Unfinished tasks

Over the week, please complete any work that is unfinished. Go back to the tasks that were set this term and resubmit.

Task 2: Well-being

Here are some suggestions of tasks you can complete:

- **Quiet time:** Engage in some yoga or calming exercises, focus on your breathing. You can even play some calm music and close your eyes.
- **Learn a new language:** Use this time to teach yourself a new skill! Try and learn at least 5 new words each day. Why don't you try this as a family challenge?
- **Create your own kindness calendar for June.**

The complete calendar can be found using the link below.

<https://youngminds.org.uk/resources/school-resources/wellbeing-activity-calendar-and-games/>

Task 3: Reading

Read/listen to a new book and tell a friend (over the phone) or your family about the book you have read. <https://stories.audible.com/discovery>

Try your best to read every day for at least 20 minutes.

Task 4: Creativity

Create an Egyptian mask. You can use the following website to help you:

<https://www.hobbycraft.co.uk/ideas/kids/how-to-make-an-egyptian-mask>

Once complete, take a picture and upload on Google classroom.

Here are also some suggested websites you can use to complete activities of your choice.
