

Art/DT - My Home.

We've been looking at London and the area that we live in which is Newham!
Today we will be looking closer to home, your own home!

This activity requires you to choose any room/area in your house and use a variety of materials to create a picture of it. You must only choose ONE room. For example: your bedroom, the garden, bathroom, living room, dining room, kitchen, the front of your house etc.

Materials - you can sketch it using only pencil, use different coloured paper, painting, using recycled material, using colours, tissue paper, cardboard etc. This can be 2D or 3D.

- you can label each area of your room and write a key down to show what each colour represents.
- You can draw each section of your room and label it.
