

Writing: Day 4

Lockdown has been quite challenging for us all and watching the news can be quite stressful. Today, we are going to have a little fun and become a new character - A news reporter! You are going to imagine that you are a news reporter sharing facts about the Coronavirus.

1. What is the coronavirus
2. Who does it affect
3. How can the nation practise social distancing
4. How can people keep in contact with loved ones
5. Suggest a range of positive activities that we can do to maintain our wellbeing
6. What can we do to be kind to others during this time.

If you're feeling really brave, you can dress up and ask a relative to record you presenting, then you can upload it for your teacher to see (Again, if you can't upload a video, don't worry about it)
