

Magnificent Monday! 29/6/20

Dear Parent/Carer,

The Nursery team hope that you and your children are safe and well. Here are some ideas and suggestions for a great day with your child. Choose your favourite 3 or do more and if you can, take some photos to share.

What's my name? (suggested time 10-15 minutes max)

- Write your child's name on a strip of paper.
- Give them a cotton bud to dip in paint
- Dot the paint to trace the letters of their name starting from the top of each letter.
- Can you child name the sounds?
- Can you trace around the letters?
- Have a go writing your name in the paint and use the cotton bud.

Wake and Shake! (Suggested time 10 minutes max)

- <https://www.youtube.com/watch?v=KAT5NiWHFIU>
 - Follow the link above.
 - Can you do some yoga to keep fit? This yoga is around 'The Bear Hunt'.
 - Can you go over and under?
 - Encourage your child to copy the actions and know under, under, through etc.
 - Can you child name the body parts and copy the movements?

Phonics Play - sounds around us! (Suggested time 15 minutes)

- Go to the link below
<https://www.phonicsplay.co.uk/resources/phase/1/sound-starters>
- Can you get your listening ears on?
- Have a listen to the sound and can you copy the sound made?
- Can you think what sound it might be or where you have heard it?
- Encourage your child to discuss the sound and get them speaking about the sound!

Maths (Suggested time 15 minutes)

- Use BusyThings- <https://www.busythings.co.uk/>
- Go Nursery, then click on Maths. Select the number option and you will find the number activity for the day.
- The task is 'Numerical Order: objects'
- Can you count the amount of objects? Then can you order the items from the least amount to the most?
- What item was the most? Which was the least?

Snack/Lunch (15 minutes)

- Today we will be making some fruit bugs!
- You can choose whatever fruit you want.
- You make it extra healthy by using vegetables such as spinach leaves as the base.
- If you were making a snail, you might use a semi circle piece for the snail's shell.
- You could use blueberries for the eyes.
- Have a go and be adventure.
- Encourage your child to think about the shapes needed and which would be better?
- We would love to see your healthy bugs! Email them on the EYFS email.

Playtime - Spaghetti Slime

- Really simple and check to make! Put some spaghetti to boil.
- Add in whatever food colouring your prefer then mix and leave till the spaghetti is done.
- Once cool you could add jelly and make it even slimy!
- A good activity to play with is adding in numbers/letters for your child to fish for!
- They get a point if they say the correct sound/number!

Topic Activity! (Suggested time 15 minutes)

- Thinking about our topic 'journeys'.
- Can you think of a time you made a journey?
- What did you use? Can you describe the journey?
- Was it easy? Quick? Long? Etc.
- Encourage your child to use the vocabulary to describe the journey.
 - Your talk is to draw the vehicle and add around the picture, the parts of the journey.
 - So if you went to see family, you might draw them on the picture.
