

Have a look at this imaginator. Take a deeper look at this imaginator. Think about what an imaginator is? What can it do for you? What is it capable of? What is it doing in this picture?

*For me this imaginator will colour my sky in purple unicorn colour. The imaginator will turn fluffy clouds into candy floss of all colours. When I jump, the imaginator will allow me to jump so high that I can snatch some candy floss off the drifting clouds. When I am hungry, the imaginator will blast out cheese burgers and fries.*

**Write a few paragraphs about what life will be like if you had the imaginator. What will the imaginator do for you?**
