

## Vocabulary activity

1) Select the correct suffix for each word. One has been done for you.

| Word        | Suffix -ing   | Suffix -er | Suffix -ed   | Suffix -tion  |
|-------------|---------------|------------|--------------|---------------|
| accommodate | accommodating | -          | accommodated | accommodation |
| guarantee   |               |            |              |               |
| distract    |               |            |              |               |
| queue       |               |            |              |               |

2) Put each word with a suffix into a sentence. For example:

*I gave my friend accommodation in my house.*
