

Have a read through this website about the London docks.

<https://www.londonsroyaldocks.com/londons-royal-docks-history/>

Draw a simple timeline to show how the **London docks** developed and changed over time using the website. Use key dates, draw simple pictures and briefly label what happened at each stage. Remember to be creative and put your dates in order! Here is an example of what a timeline could look like. Upload your timeline onto google classroom.
