

Terrific Tuesday! 09/06/20

Dear Parent/Carer,

The Reception team hope that you and your children are safe and well. Here are some ideas and suggestions for a great day with your child.

Wake and Shake (10 minutes max)

- Let's learn about exercising!
- Exercising is when you do a physical activity so your body can stay fit and healthy.
- Try some of these at home today!
- You could also join Joe Wicks on youtube every day at 9am he will take you through a PE session. Click the link to join in. <https://www.youtube.com/watch?v=K6r99N3kXME>

Click on the website and have a dance!

Literacy

People who help us:

This week we will be learning about Doctors and nurses. They have very special jobs. They help people by giving them medicine and make them feel better. Think about these questions first.

Q. Can you remember a time when you saw the doctor?

Q. Why did you go to see the Doctor?

Q. How did they help you?

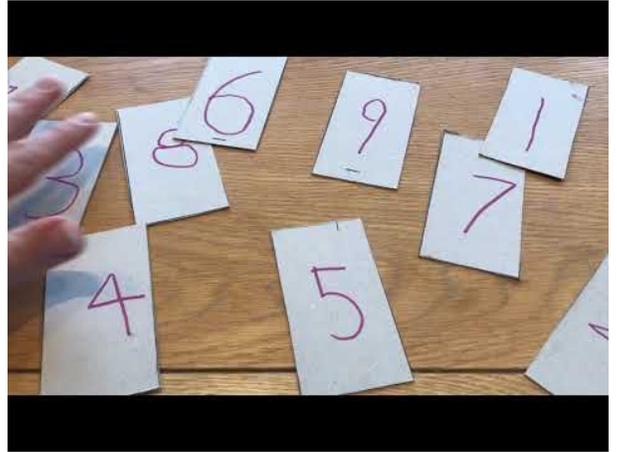

Activity: Have a look around your house and see if you can find anything that a doctor/nurse may use to help someone. For example: bandages, plasters, thermometer, cotton wool etc. Talk about the things you find with your adult and explain what they are used for. You could also have a go at measuring your family member's temperature!

Now have a go at these maths activities.

Magic fingers!

Make a set of number cards from 0-10. Your grown up will show you a number. Say what the number is and then show that many fingers. Let's see how fast you are!

When you are ready, swap with your grown up. They will show you their fingers. Count them, say the number and find the matching card!

Now fill the numbers on to a tens frames.

Tens frames

Additional activities to do daily

- Correctly write your name using a capital letter for the first letter only.
- Learn to read and write these tricky words: he, she, we, me, be, are, to, do, so, with, then, was
- Practise your handwriting- make sure you are forming your letters and numbers correctly.
- Read your books.

Storytime

Choose your favourite story from the link below to read with your grown up!

<https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/>

When you're sharing a story together ask why your child thinks something has happened, what might happen next or how they think the story might end?

- Use different voices, like loud voices or squeaky voices, when we're telling stories.

Let your child play with their toys and take a break!

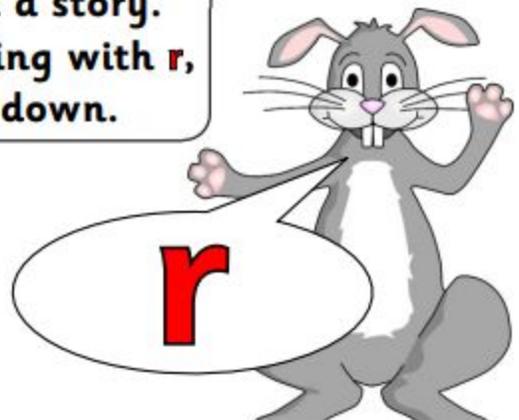

Phonics

Have a go at this little activity!

**Rabbit loves words beginning with r.
Ask an adult to read you a story.
If you hear a word beginning with r,
clap once and write it down.**

Try to spell the words yourself.

How many words did you hear?

**Who are the members
of your family?**

Draw a picture of them and
write their names.

Can you think of any other
names beginning with
the same sounds?

Please practise writing all the letters and numbers everyday.
