

Wonderful Wednesday! 17/06/20

Dear Parent/Carer,

The Reception team hope that you and your children are safe and well. Here are some ideas and suggestions for a great day with your child.

Wake and Shake (10 minutes max)

- Let's learn about exercising!
- Exercising is when you do a physical activity so your body can stay fit and healthy.
- Try some of these at home today!
- You could also join Joe Wicks on youtube every day at 9am he will take you through a PE session. Click the link to join in. <https://www.youtube.com/watch?v=K6r99N3kXME>

Click on the website and have a dance!

Literacy

People who help us:

This week we will be looking at how police officers help us. The police are part of the emergency services that can be reached by calling 999 in an emergency. They have special jobs and help keep us safe and make sure everyone follows the law. They use special equipment and wear uniforms so they are recognisable to the public.

Label the police officers below:

- uniform
- high visibility jacket
- flat shoes
- belt
- handcuffs
- walkie talkie
- police badge
- hat

Talk to your grown ups about why you think each of these are important to a police officer.

Snack time:

Rainbow snack!

Which fruit will you use?

What is your favourite fruit and why?

What does it taste like? Is it sweet or sour?

What colour is it?

RAINBOW SNACK

Make sure you wash your fruit before eating it. Practise cutting your fruit with adult supervision.
Once you have made your rainbow snack, draw it in your books and label the fruit you used.

Mathematics : Let's sing a number rhyme

Choose the number song you want to sing today.

<https://www.bbc.co.uk/programmes/b03g64rd/clips>

Lets count to 20. Tap your knees as you count forward to 20

Clap your hands together as you count back from 20 to 0

Now have a go at these maths activities.

Money is what we use to buy food and other things in shops and supermarkets.

This is a one penny coin - 1p. If there are seven 1p coins, it makes 7p.

This is a two pence coin - 2p. A 2p coin is larger than a 1p coin. If there are three 2p coins, it makes 6p.

Remember to tap on the coin twice when counting how many pennies there are!

Draw the correct amount of money in the jars using a mixture of 1p and 2p coins.

2p

5p

7p

8p

9p

10p

Additional activities to do daily

- Correctly write your name using a capital letter for the first letter only.
- Learn to read and write these tricky words: he, she, we, me, be, are, to, do, so, with, then, was
- Practise your handwriting- make sure you are forming your letters and numbers correctly.
- Read your books.

Storytime

Choose your favourite story from the link below to read with your grown up!

<https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/>

When you're sharing a story together ask why your child thinks something has happened, what might happen next or how they think the story might end?

- Use different voices, like loud voices or squeaky voices, when we're telling stories.

Let your child play with their toys and take a break!

Season- summer time!

We have entered the summer season and because of the warmer weather we should be able to see lots of bugs outside! How many of these can you find in your garden this spring and summer?

How many did you find in 1 day?

Make a note of where you found each one and what it was doing e.g. sitting on a flower, eating a leaf, crawling up a tree trunk.

Let's go on a bug hunt and see what we can find!

What you will need:

- magnifying glass
- plastic cup (see through) and lid/paper to capture a bug
- paper and a pencil to make an observational drawing of what you find.

Go on a hunt around your garden or local park (remember social distancing!) to see what you can find.

Q: What did you find?

Q: Where did you find it?

Q: What is its habitat (home)?

Q: How does it travel?

Q: How many legs does it have?

Draw a picture of it in your book and write some information about it.

Please practise writing all the letters and numbers everyday.
